THIRTIETH SUNDAY IN ORDINARY TIME October 25, 2020

LIFE WITHOUT LAW

Where would we be without lawyers? Heaven, so the joke says, but maybe not. The remaining, tattered ethics and morals displayed in communities today rely heavily on that same intricate web of laws we so like to abuse. While we may grouse at legal complexities as we file our tax returns those verbal gyrations have grown out of the need to protect, not to annoy. Our laws have sub-clause after sub-clause to help us define what is meant by the very words used. When laws are not specific we must rely on the honesty and goodness of the judge to ensure that proper decisions are rendered. And as we live in a human world, what judge can be unfailingly good, honest and fair? Thankfully God has an entirely different, if scarier, legal system. He has cut through the Gordian knot of religious law and customs. There are only two tenets to obey in the heavenly kingdom: **1. Love God with all your heart, soul and mind.** **2. Love your neighbour as yourself.** Imagine the implications of a divine, perfect judge applying those tenets to your life. Think, pray and live accordingly.

A special thank you to the Property Maintenance team for the project management/installation of the new Cemetery Sign. It is a beautiful addition to our Cemetery. Thank you to everyone who could make it to the blessing of the sign and for your generous contribution that day.

PRAYER FOR HEALING

Heavenly Father, loving and merciful God, we worship and adore You. In faith, we come before You asking for mercy and forgiveness for our sins against You and Your creation. In this time of anxiety and distress, we lift up to You the COVID-19 situation throughout the world. Father, we beg You to halt the spread of this disease and to grant healing and comfort to those afflicted. Please cover everyone with the Precious Blood of Your Son, Jesus and protect all of us, especially those in the medical field, from any infection and harm. Lord Jesus, we beseech You to grace government leaders and medical experts with wisdom and knowledge to combat the spread of COVID-19 and to find a cure for it.

WHAT CAN I DO?

For whatever our state, however helpless and incapable, however little service to God or to our neighbour seems within our power, there is no doubt at all that He wills us to do something. Not necessarily any great thing. It may be only some little message of sympathy and comfort to carry to one more lonelier than we are; it may be some tiny pleasure to a little child or a kindly word or glance to one whose own fault has cut him off from general kindness and pity. But in some shape or other be certain of one thing... that your Master and Lord will answer the question, "What would You have me to do?"

DEVELOPMENT AND PEACE

The pandemic has highlighted how vulnerable and interconnected everyone is. If we do not take care of one another, starting with the least, with those who are most impacted, including creation, we cannot heal the world. - Pope Francis, August, 12, 2020.

Archbishop Terry Prendergast is supporting a collection for Development and Peace on **Sunday, November 15th, 2020**. More information to follow, but please keep the needs of the most impacted in your prayers & thoughts.

Sunday Morning Smile

One evening after dinner, my five-year-old son Brian noticed that his mother had gone out. In answer to his questions, I told him, "Mommy is at a Tupperware party." This explanation satisfied him for only a moment. Puzzled, he asked, "What's a Tupperware party, Dad?" I've always given my son honest answers, so I figured a simple explanation would be the best approach. "Well, Brian," I said, "at a Tupperware party, a bunch of ladies sit around and sell plastic bowls to each other." Brian nodded, indicating that he understood. Then he burst into laughter. "Come on, Dad," he said. "What is it really?"

TRUE LOVE...

Do you ever wonder why, if people have heard and sung and read about love all their lives, they can't seem to ever become proficient at it? Could it be that we are convinced loved is just about how we feel? Or perhaps that we believe that love comes naturally given the right circumstances. It's just that circumstances haven't been too favourable lately. Well, in Matthew 22:34-46, Jesus tells us clearly that love is a commandment not a feeling. It has little if anything to do with how others treat us or if we have had enough sleep. It doesn't matter how we feel, or who happens to be making life difficult. Love is a product of being obedient, teachable, and practice... practice... practice.

ACT OF SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the Most Holy Sacrament.

I love You above all things, and I desire to receive You into my soul.

Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart.

I embrace You as if You were already there and unite myself wholly to You.

Never permit me to be separated from You. Amen.
